

Vote Against the War

From protesting the Vietnam War to fighting the KKK in the streets of Pontiac in 1972, David Sole has been an anti-war, anti-racist activist for four decades. He fought GM's plant closings as co-chair of UAW Local 15's Stop Plant Closings Committee in the 1980s. In 1998 he defied U.S. sanctions, delivering medicine to children's hospitals in Iraq. Sole has been in the streets defending the rights of immigrants, women, lesbian, gay, bisexual and transgendered people. He has been outspoken against the U.S. backed Israeli slaughter of Lebanese and Palestinian people. David Sole is a founder of the Michigan Emergency Committee Against War & Injustice (MECAWI), a member of the International Action Center, president of UAW Local 2334 and a member of Workers World Party.

Both the Republicans and Democrats support the war in Iraq! And both big parties support the war against workers here at home. *DON'T THROW YOUR VOTE AWAY...*

Did you know?

- **Democratic Senator Debbie Stabenow voted every time to pay for the war in Iraq!** She voted to support Israel's terror attack on Lebanon and Palestine. Stabenow voted against immigrant rights. She also voted to make it harder for workers to declare bankruptcy while the law lets corporations steal pension funds by declaring phony bankruptcy.

**DAVID SOLE , Stop the War Slate candidate
for U.S. SENATE on the Green Party ticket,
*IS FIGHTING FOR:***

**Immediate, unconditional U.S. withdrawal from Iraq and Afghanistan!
End U.S. aid to Israel. U.S. hands off Cuba, Venezuela, North Korea and Iran!
Take the \$300+ billion spent for the Iraq war, plus the \$550 billion Pentagon
budget and use it to fund the needs of the people:**

- Rebuild our cities – equal education and jobs at living wages for all!
- Provide free health care for all and house the homeless!
- Stop attacks on workers and unions – Guarantee all pension funds 100%
– Full rights for immigrants!
- Clean up the environment – Roll back gas prices – No utility shut-offs!
